Altice:

Altice is a French multinational telecomm and mass media company with official headquarters at either of the 2 below addresses. It is the second largest telecomm company in France.

16 Rue du Général Alain de Boissieu
Paris, France, 75015 (then-time 17th arrondissement)

200 Prins Bernhardplein
Amsterdam, The Netherlands

Altice USA, Inc., is a foreign business corporation filed in Nassau County, NY, on 08/25/2016.

It's corporate filing DOS ID # is 4998950. Its USA headquarters:

1 Court Square West

Long Island City, NY 11101

Locally, Altice bought out SuddenLink, and Optimum, each successively operating in the same building in Clovis, NM, USA, and shown on the next page.

Optimum is the company which returned the ACP approval Confo webpage, shown separately. But it also killed my TV, never fixed that issue when told, never refunded the Optimum billing value of the TV service it stole from me, lied about a policy requiring payment for TV service in order for the company to get ACP inet payments on my Optimum account, knowingly accepted false address info on me, maintained those false records when appraised otherwise, and never coughed up any alleged National Verification Letter which it falsely claimed had a mismatching address on me. The organizations it relies on, for info; ACP, USAC, and the National Verifier System, (all funded by the FCC), all hide whomever works for them, as well as whomever knowingly feeds them fictitious info.

But hey, after vindictively cutting off my service and wrongly billing me, they want my repeat business. Just like a criminal enterprise, obsessed with continuing getting government funds fraudulently, on my good name.

Optimum's local address is:

1106 Main Street, Clovis, NM 88101
